Dear Faith-Based Community Member:

On behalf of Governor O'Malley and Share Our Strength, I invite you to join us **November 20, 2009** for the Governor's Partnership to End Childhood Hunger Summit: Outreach to Faith-based Leaders, to learn more about our efforts and how your church or faith-based organization can help the Governor ensure that no family or child in Maryland has to worry about where they will get their next meal. **The summit will be held on the campus of Prince George's Community College, 301 Largo Road, Largo, Maryland 20774.**

Everyday children in our neighborhoods and communities go to bed hungry and wake up hungry. Similar numbers of families and their children do not have ready or reliable access to the food they need to learn and lead healthy lives. In November of 2008, Governor Martin O'Malley joined with Share Our Strength, a national anti-hunger organization, to launch the Partnership to End Childhood Hunger in Maryland. The Partnership includes a strong coalition of organizations and agencies on the national and local level, representing the public and private sectors, with the Governor's Office for Children serving as the lead agency. Our goal is to end childhood hunger in Maryland by making nutritious food available to children where they live, learn, play and pray.

Too often a child's last meal of the day is one served at school. In many cases, children who rely on the school meal programs worry about where they will eat outside of the school day, and when school closes for summer, weekends, and holidays. The Partnership to End Childhood Hunger in Maryland is designed to ensure that our communities have the capacity to deliver food and nutrition services on a regular basis to children and families in need.

I hope you will join us and involve your organization in the fight against childhood hunger. Lunch will be provided for all conference participants. To help us plan accordingly, **please complete the attached registration form by Wednesday, November 11th and send to Valerie Woodward at vwoodward@goc.state.md.us** or fax to 410-333-5248. For your information, please find a preliminary agenda attached, as well as a map to the Largo Campus of Prince George's Community College.

Sincerely,

Rosemary King Johnston
